ABOUT ME

Hey, I'm Mackenzie — a Raleigh-based fashion and lifestyle creator who believes life is too short to save the good outfit, skip the trip, or wait for the "right" time to enjoy it. My content is centered around personal style, wellness, travel, and finding ways to make everyday life feel a little more exciting. With Master's degrees in Sports Medicine and Nutrition, health and wellness will always be part of who I am, but my platform is really about inspiring women to feel good, dress confidently, try new things, and make the most of the life they're living. I've built a community of 10K+ followers, and I want them to leave my page feeling inspired to romanticize the everyday, say yes to more experiences, and step into their own "IT girl" energy.
